

## ***SS Peter & Paul's CBS Parents' Council Progress Report (September to December 2006)***

Our school year started on 4<sup>th</sup> September with a tea/coffee morning for the parents of the new Junior Infants.

Our AGM was held on 27<sup>th</sup> September and was addressed by our principal Mr. John Hickey. A new committee was formed following the AGM and consists of 15 parents. ([Parent's Council](#))

In November we had a book sale which was a great success and we hope to make this an annual event.

A donation of €6478.11 was made by the Parents' Council to the school to purchase computers. This was possible due to the fundraising events held over the past year.

The boys took home their beautifully decorated Yule Logs in time for Christmas and once again the school was decorated with Santa and Snowmen in the Junior School, a nativity crib and a sitting room scene in the Senior School, photographs of which can be seen on the school website ([www.sspeterandpaulschool.net](http://www.sspeterandpaulschool.net)).

We are also in the process of replacing the board games and purchasing books for each class for use during lunchtime.

Our plans over the next few months include a Table Quiz on 15<sup>th</sup> February, the cake sale on 9<sup>th</sup> March, Easter Raffle, Church gate collection (weekend of 26/27<sup>th</sup> May, sports day for Junior & Senior schools, and Graduation Night for the 6<sup>th</sup> class boys.

If you would like to help out with any of these events please contact any of the members of the parents' council.
